FOR GOD AND COUNTRY - SUPPORT YOUR AMERICAN LEGION

Upgrades and improvements to your Post 11, Legion Hall

I would like to thank my fellow Legionnaires for their help and support with post improvements. With the help of Mike Burns, John Loveday and Commander Ron Medus, we were able to accomplish a lot this past 2 weeks. And we are not finished yet! So far, a new popcorn machine, the building is being repainted, and the faded emblems are being repainted (we will be adding the Riders symbol as well to the existing logos). We built a new coffee bar area and are testing the pizza ovens there, we will see. We also added larger shelves to the back bar and I'm installing a new sound system. Currently it's in the Canteen with new speakers and amplifier and over the coming weeks we will be expanding it into the game room, smoking room and the back deck. This also gives us paging as well. I really appreciate all the help with these projects.
